Our expertise

- Sustainable fashion, textile upcycling, repair and circular design workshops
- Digital skills, e-commerce basics, online communication and creative digital tools
- Women empowerment, youth education, social inclusion and community leadership
- Global learning, SDGs and Germany-Tanzania cooperation
- Non-formal education methods and community-based workshop formats

Facilities and resources

Kweli e.V. works with access to sewing machines, embroidery machines, computers, laser cutting technology, 3D printers and creative workshop equipment. These resources support hands-on learning in sustainable fashion, digital fabrication and circular economy education.

Erasmus+ cooperation interests

- Adult education and youth projects
- Green skills, digital skills and entrepreneurship
- Circular fashion, repair culture and sustainable consumption
- Women and youth empowerment
- International exchange and reusable educational materials

Proposed Erasmus+ Project Concept

Project title

Circular Fashion & Digital Skills for Women and Youth

Overall objective

To empower women and young people through sustainable fashion, textile upcycling, digital skills and entrepreneurship education while promoting circular economy principles and environmental awareness.

Target groups

- Women and young adults
- Migrants, refugees and unemployed adults
- Community educators and volunteers
- Youth and adult education organisations

Possible activities

- Circular Fashion Learning Labs: textile upcycling, repair, redesign and sustainable consumption workshops
- Digital Skills & Entrepreneurship: social media, e-commerce basics, digital storytelling and business model development
- International exchange: partner visits, peer learning and intercultural dialogue
- Educational toolkit: reusable workshop methods and learning materials
- Public events and dissemination through the Kweli e.V. website and partner networks

Expected outputs

- 150+ direct participants reached through workshops and events
- Circular Fashion Training Toolkit
- Digital Skills Learning Materials
- Practical workshop methods for educators and community organisations
- Foundation for a European Circular Fashion & Skills Network

Looking for partners

Kweli e.V. is looking for NGOs, adult education providers, youth organisations, vocational training centres, fashion/design organisations, maker spaces, FabLabs, sustainability networks and women empowerment organisations interested in developing Erasmus+ cooperation projects as equal partners.
